AGC-30

30 October 1950

**MEMORANDUM FOR: Mr. Hugh Farley
National Security Council**

**Subject: Memorandum from the Bureau of the
Budget, dated October 4, 1950, regard-
ing statutes that would be affected by the
termination of the existence of a state
of war or emergency.**

We have completed our study of the questions raised by the Bureau of the Budget's letter of 4 October 1950. It is our opinion that the termination of the authorities contained in many of these statutes would in no way affect the National Security Council. It is also felt that such terminations would not affect Section 1304 of the Supplemental Appropriation Act of 1951. For these reason I feel that you can forward a letter to the Bureau of the Budget in substantially the terms of the attached draft.

Walter L. Pforzheimer
The Assistant General Counsel
